

Transactional Giving

Family Helping Family

Transactional Giving is a simple but important way to support KW Cares! Once enrolled, you can automatically make a contribution with each of your closed transactions, thereby making a huge impact on our KW Family.

Why Give?

KW Cares exists to support Keller Williams associates and their dependent family members during times of unexpected hardship, including medical crises, natural disasters, and other life-changing events.

Each year, Transactional Giving makes up about 70% of the revenue for our organization, making this a critical lifeline for so many of our KW Family. By participating in this program, you help ensure that assistance is available when our associates need it most.

The Power of Giving Together

A small contribution from a single transaction, combined with the generosity of fellow associates, creates an extraordinary impact. Through these collective gifts, KW Cares provides millions of dollars in assistance each year to members of our KW family. These grants not only offer critical financial relief during times of hardship, but also provide something just as valuable—hope for those facing life's most challenging circumstances.

How Do I Sign Up?

Either complete the Transactional Giving enrollment form and select your contribution amount, or scan the QR code below to learn how to sign up in Command.

That's it! Your gift will automatically be processed with each closing.

Give. Care. Share.
